It is estimated that the 2 mills would raise approximately \$502,031 of additional funds when first levied in 2018. To the extent required by law, a small portion of the total revenues from the tax levy (approximately 2.4% in the first year of the levy) will be captured from the district of and disbursed to the Downtown Development Authority of the City of Lapeer.</p> <p align="right">YES <input type="radio"/><br/>NO <input type="radio"/></p> |
