IX INSTRUCTIONS FOR COMPLETEING APPLICATION

General: Plumbing work shall not be started until the application for permit has been filed. All installations shall be in conformance with the Michigan Plumbing Code. No work shall be concealed until it has been inspected. When ready for inspection, call the Building Department for the inspection to get scheduled. You will need to provide Permit Number, the Address, and the Type of inspection (UNDERGROUND, ROUGH, FINAL, REINSPECTION, ETC.)

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after commencing the work. A permit will be closed when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Closed permits cannot be refunded or reinstated.
